- Social Innovation Centre

What's the most difficult task for youth to start business? Social Innovation Centre by HKFYG is established to promote and cultivate social innovations among youth startups or entrepreneurs. The Centre also focuses a lot on social innovation education to stimulate community interests in ideas that bring betterment to the society.

In order to grow a network for social innovation startups, the Centre has chosen our ICON C Series table, which is able to form a bench workspace for easy communication. And the easy handling Wind Series chair enable the Centre administrator to arrange the seat according to different functions.

年輕人創業最困難應是什麼呢？香港青年協會設立了社會創新中心，以講求創意的方法協助對社會有使命的商業計畫，鼓勵有志創業的年輕朋友與傳統社區和公商機構協作，共同建立一個更美好的社會。中心選擇了ICON C 系列作為辦公桌，讓用家在溝通時，可立即成為一張長枱的工作空間。而Wind 系列座椅由於其易於打理及適合各種用途，有利中心管理人員靈活運用。
