

# Milkyway Image

**Milkyway Image**, as Hong Kong's premier film production company, is dedicated to providing film companies with comprehensive film production services.

Since its establishment in 1996, Milkyway Image has brought audience new worlds of entertainment and wonder. Its films are not only box office hits, but are also produced with cost-effectiveness and efficiency, bringing film investors promising revenue.

Milkyway Image is principally engaged in providing comprehensive film production services for film companies. This includes pre-production, shooting and post-production.

Fresh creative concept is what Milkyway Image brings to its production. Its films lead the market trend and the box office with their innovative ideas.

## Crox

A causal easiness is created by the advanced technical art and essential construction. It's perfectly collaborated by the sense of unconstraint and precision, generating unbridled version.
